Dear Colleague,

Happy Spring everyone! Here in Atlanta, there is a thick coat of pollen covering everything in sight. But, we are happy for warmer weather and blooming flowers nonetheless.

Jane has just returned from Antarctica where she sailed on the *Ortelius* with [Oceanwide Expeditions](#). Keep a look out on our [facebook](#) page for some of her incredible trip highlights. Speaking of Oceanwide, their brand new ship, the *Hondius*, is featured in this newsletter's video.

More on our Polar and Small Ship cruises below.

Last but not least, in keeping with our policy of hiring good people wherever in the world they are located, I'm thrilled to introduce our newest team member, industry veteran Ana Kammerer, based in Buenos Aires. Some of you may have heard from her already. If not, you may soon. She will be doing a lot of work for us in the North East.

Don't hesitate to reach out!
