

Dear Colleagues,
Merry Christmas and Happy Holidays from the Emerging Destinations team! We hope that you take some well deserved time off with your family and friends just like we are. This last Latin America Newsletter of 2018 has some pretty cool stuff so please check it out and don't miss Fantastico Sur's newest video on Refugio Chileno. Safe travels this holiday season.

Paine Pampering: Spa Las Torres

No one can deny that hiking [Paine National Park](#) is an exhilarating experience. But it's also pretty hard on the body. So what could be better than relaxing and rejuvenating spa treatment at Hotel Las Torres [HERE](#).

Patagonia's Other Predator — The Willy Fox

You might see one scampering through the woods near the [glaciers](#) or while you're hiking the [Circuito de los Paine](#). For many years, an unusually friendly fox was used to bring around Lapa Sembrado Gene. [HERE](#).

Get to know Refugio Chileno:

Capacity: 32 people
There's more! 16 private people each (3 bunk beds in each room)

What does "Torres del Paine" mean?

Given the extreme geology — and how difficult it is for even the most experienced climbers to summit the peaks — it's tempting to think that Torres del Paine means "Towers of Pain" in English. [HERE](#).

Fantastico Sur Trek of the Month — W Express

For people who are in peak physical shape and want a really challenging mountain trekking experience at Torres del Paine, point them in the direction of the W Express. Available until the end of April (2018). [HERE](#).
