

Dear Colleague,
Is your 2018 starting out well? We find that there is ALWAYS a correlation between the stock market doing well and bookings – so 2018 sales are very, very encouraging.

This month, we have added in a new client, [Fit For Trips](#). Fit For Trips helps to positively influence your client's trip experience through their customized fitness programs tailored towards various adventures. Whether it be a one day hike to the towers in Torres del Paine or hiking the Inca Trail, Fit for Trips will eliminate physical uncertainties and exceed their expectations. They also offer another revenue source for YOU through their [Adventure Program](#). See the article below on them and let us know if you'd like an introduction.

If you are planning on attending, or just visiting, the New York Times Show, please contact Jane, who will be at the show. Pop an email to jane@emergingdestinations.com to schedule an appointment.

Please see below for some updates on [Travel Lab Tours](#) and [Packing Size](#).

Also, if you would like to receive our newsletter via text message, we are going to test an SMS service for news. Please [click here](#) to sign up!

Happy 2018!
