Dear Colleagues,  
This month, Emerging Destinations welcomes two new accounts to our South America portfolio — [Jungle Experiences](#) in Peru and [Cruce Andino](#) in Chile. They offer two very different South American experiences:

- **Jungle Experiences** cruises the headwaters of the Amazon on the *Crater La Roca* and *Salar Zapico* riverboats, visiting wilderness Peruvian Amazon National Reserves in the Amazon Basin of northeastern Peru. Read all about them [here](#).
- **One of Chile's** oldest travel companies, **Cruce Andino** links Bariloche, Argentina and Puerto Varas, Chile via three lakes in two national parks in the middle of the Andes. More details [below](#).

In this edition of the newsletter you can also read the latest from [Jungle Experiences](#) and [Cruce Andino](#). And please look for Jane at the Chile Roadshow in New York City on May 22nd and Jessie at the Toronto equivalent on May 24th.

Best,
