Dear Colleague,

January is flying by! We attended the Chicago Travel + Adventure Show, The New York Times Show, and Jessie is currently at ETC. It was such a pleasure seeing so many of our industry friends.

Even though we don't have tickets to the Super Bowl this weekend, we are planning on attending some of the events planned around the big game. Should be fun. (Who are we cheering for? The Falcons didn't make it — so best of luck to both the Rams and Patriots.)

Please take a look at our News at a Glance for quick information from our clients, and our blogs with more in-depth information on our portfolio. And the Elewana team helped a baby elephant who was in a tight predicament — enjoy our short video!
