Dear Colleague,

Hello from a chilly Atlanta. It feels like we skipped fall in the South and went straight into winter! Now I know that it's not nearly as cold in Atlanta as New England, Canada or the Midwest, but you all know that us Southerners don't take low temperatures too well.

Anyhow, the cooler weather has us dreaming about polar destinations. Several of our clients are offering special deals and discounts that expire at the end of this year, so be sure to take advantage of those before it's too late.

And it's never too early to book for next summer. Adventure Canada's "[High Arctic Explorer](#)" is the perfect way to experience the Arctic at the height of summer. You'll find more exciting news and info on our polar and small ships below.

As always, don't hesitate to reach out.
