August 2018

Dear Colleague,

August is our month for cruising! Jessie just returned from [Dancing, Dragons and Magical Lakes](#) with SeaTrek Sailing Adventures in Indonesia — so I guess you can say she's on a Bali High. I'm headed to Peru at the end of the month to sail the Amazon on the riverboat [MV La Perla](#) with Jungle Experiences. Without a doubt, the best part of our job is getting to experience our "cool companies & cool places" first hand!

In this month's newsletter below, you'll find stories on what the Amazon actually is — a river, a region, a rainforest, etc. Rather a timely subject for Emerging Destinations, as August 1st marked the start of our representing [Destination Guyana](#) — on the other side of Amazonia and a totally different experience from cruising the headwaters of the Amazon with Jungle Experiences.

You'll also find information on [Iceland ProCruises](#) and a link to a video on SeaTrek adventures in Raja Ampat — something I'll be experiencing in December with my husband.

Happy Sailing!
