Dear Colleague,

Our excitement this month was having Guyana win the [LATA Sustainable Tourism Award](#) and to have this [cover story](#) in Travel Agent Magazine. Our unknown destination is getting more and more known, which is a real win for eco-tourism.

In our offices, we are feverishly planning the next half of the year and so many of our portfolio clients are going to be visiting us in the USA and Canada. It is always great for us to learn more about what is going on on the ground in-country. Ana is going to be headed to Peru in July to see first-hand [Jungle Experiences](#) operations and hike the [Salkantay Trail](#) to Machu Picchu with Peru EcoCamp.

We are also trying to get as much lake time -- or in my case creek time at my home in the Low Country of South Carolina in! Hope you are able to enjoy some downtime too.

Best regards,

Jane + Jessie + Jenna + Ana
