Dear Colleague,

This past weekend, I was at my vacation home in the Low Country of South Carolina. The temperature was only 92, but the weather report said it "feels like" 102°F. And believe me, it seemed like triple digits. More than once, I found myself yearning for the coolness of a Patagonian summer!

Emerging Destinations is blown away by the terrific response we've received on our new client [Peru EcoCamp](#). It seems there isn't enough space for those who want to make the trek (in high style) to Machu Picchu.

We're also thrilled to have [Guyana](#) featured on the cover of Travel Agent Magazine. If you haven't read it, you should. See the link below.

Also In this month's newsletter, please find the latest from [Cruce Andino](#) (did you know they do the Andes lake crossing year-round?), [Hotel Las Torres](#) and [Fantástico Sur](#) in Patagonia, and [Jungle Experiences](#) in the Peruvian Amazon.

We hope you're having an awesome summer and are able to get out and enjoy amazing North American nature!

Best regards,

Jane + Jessie + Jenna + Ana
