Dear Colleague,

Ana and I just returned from Argentina and Uruguay, where we visited all four of the [Grand Hotels Lux](#) properties. It was my first time in Uruguay and all around Argentina, and I got a chance to stay at their gorgeous Grand Hotel Punta del Este and visited magnificent Iguazú Falls.

During the trip I ate way too much *dulce de leche* and steak — worth every calorie — and I walked a lot of it off exploring the Argentine side of the falls. I learned that you really need to visit both sides of the world-famous waterfall — the Brazil side for the panoramic views and the Argentine side for a more intimate encounter. Meanwhile, Argentina's Misiones Province offers a lot more than just Iguazú — watch this space for more about the region in future newsletters.

See below for more information on our cool companies in cool places!

Best regards,

Jane + Jessie + Jenna + Ana
