Dear Colleague,

Wow, wow, wow! I just returned from my "High Arctic Explorer" journey with [Adventure Canada](#) and I'm inspired, enlightened and energized by the Arctic. From wildlife encounters with polar bears and walrus, to icebergs bigger than my house and a chance to swim in polar waters, I absolutely can't wait to get back. Keep a look out in next month's newsletter for my trip blog.

And speaking of polar destinations, you don't have to buy Greenland to experience the world's largest island! That's because [Iceland ProCruises](#) offers an awesome, 12-day cruise that includes many of Greenland's iconic natural and historic attractions. Meanwhile, Iceland ProCruises just released its [digital 2020 brochure](#).

Among the other stories in this month's Polar & Small Ship Newsletter are items about [Jungle Experiences](#) being named South America's best river cruise company and family-friendly polar trips with [Oceanwide Expeditions](#).

Best regards,

Jessie
