A Spectacular Upgrade in the Serengeti is Eagerly Awaited as Our Teams Work Hard on this Major Refurbishment

Modern yet minimalistic, contemporary with the perfect blend of comfort, the newly refurbished property will boast floor-to-ceiling windows and open-air lounge areas allowing for uninterrupted dramatic views over the plains of the South Western Serengeti National Park. A classic and calming feel through textures and colours can be expected with the use of natural wood and neutral tones. An infinity pool lies perched on the edge of the escarpment with rim-flow views that capture the true essence of tranquillity. The large open-air fires will allow guests from across the globe, near and far, to gather and share their day's adventures. We cannot wait to welcome you to this beautiful lodge soon.

Our team remains at your disposal, please do not hesitate to get in touch with us should you require any further information.

Wishing you and your families a Merry Christmas and a Happy New Year.

Yours Sincerely,
